High School	\$4.75	\$57.00	\$19.00	\$380.00	\$285.00 (5 core)	\$78.93

The pricing information listed is approximate for the A.C.E. core curriculum including:

Math	English	Science	Social Studies	Word Building	Literature/Creative Writing (Grades 2-8) and books
------	---------	---------	----------------	---------------	--

(All additional literature/resource books that are required, begin at level three, and are available from A.C.E. Canada.)

These resource books are termed *noncurriculum* items and range in price from \$5 to \$15 per book depending on subjects taken. For planning purposes, please expect to add as much as \$76 total for resource books, plus tax and shipping charges.

Shipping charges range between 16% and 25% of the total order for Canadian destinations, and a much higher rate for International shipments.
